

**2<sup>nd</sup> Year Academic Commencement – 2021**

**Dear Student,**

As you know, we had to face the hardest challenge in the history of BIT-Degree Program during the last year. Uncertainty produced by the 2nd year selection criteria stated by the UCSC have created another hassle for you.

So, taking the decision to start your second-year academics early as required will be very difficult. But, most probably, the UCSC will call Semester-3 exams in June or July.

It is also important to emphasize that the second-year exam is consisted of Essay questions in addition to MCQ questions.

Hence, it is required to start second-year academic as soon as possible to mitigate schedule risk of the 3-4 months.

**If you unable to select for the 2<sup>nd</sup> year, then you will be REFUNDED all your payments except 5000 rupees for past-papers and other services.**

You are kindly requested to register with one of the following batches **this week** as we need to start printing past-paper books. Classes Rosters will be published soon.
