

3rd Year Academic Commencement – 2021

Dear Student,

As you know, we had to face the hardest challenge in the history of BIT-Degree Program during the last year.

So, the decision to be taken to start your third-year academics early as required will be very difficult. But, most probably, the UCSC will call Semester-5 exams in June or July.

It is also important to emphasize that the third-year exam is consisted of Essay questions only.

Hence, it is required to start third-year academic as soon as possible to mitigate schedule risk of the 3-4 months.

If you unable to select for the 3rd year, then you will be REFUNDED all your payments except 5000 rupees for past-papers and other services.

You are kindly requested to register with one of the following batches **this week** as we need to start printing past-paper books. Class Rosters will be published soon.
